Main Technical Areas (as per IAF MD8)	Technical Areas (as per IAF MD8)	Product Categories covered by the Technical Areas
Non-active medical devices	General non-active, non-implantable medical devices	Non-active medical devices other than specified above (moulded plastic parts)
Sales and distribution of non-active medical devices	General non-active, non-implantable medical devices	Non-active devices for anaesthesia, emergency and intensive care
Sales and distribution of non-active medical devices	General non-active, non-implantable medical devices	Non-active devices for injection, infusion, transfusion and dialysis
Sales and distribution of non-active medical devices	General non-active, non-implantable medical devices	Non-active orthopaedic and rehabilitation devices
Sales and distribution of non-active medical devices	General non-active, non-implantable medical devices	Non-active medical devices with measuring function
Sales and distribution of non-active medical devices	General non-active, non-implantable medical devices	Non-active ophthalmologic devices
Sales and distribution of non-active medical devices	General non-active, non-implantable medical devices	Non-active instruments
Sales and distribution of non-active medical devices	General non-active, non-implantable medical devices	Contraceptive medical devices
Sales and distribution of non-active medical devices	General non-active, non-implantable medical devices	Non-active medical devices for disinfecting, cleaning and rinsing
Sales and distribution of non-active medical devices	General non-active, non-implantable medical devices	Non-active devices for in vitro fertilisation (IVF) and assisted reproductive technologies (ART)
Sales and distribution of non-active medical devices	General non-active, non-implantable medical devices	Non-active medical devices for ingestion
Sales and distribution of non-active medical devices	Non-active implants	Non-active cardiovascular implants

Sales and distribution of non-active medical devices	Non-active implants	Non-active orthopaedic implants
Sales and distribution of non-active medical devices	Non-active implants	Non-active functional implants
Sales and distribution of non-active medical devices	Non-active implants	Non-active soft tissue implants
Sales and distribution of non-active medical devices	Devices for wound care	Bandages and wound dressings
Sales and distribution of non-active medical devices	Devices for wound care	Suture material and clamps
Sales and distribution of non-active medical devices	Devices for wound care	Other medical devices for wound care
Sales and distribution of active medical devices (non-implantable)	General active medical devices	Respiratory devices, devices including hyperbaric chambers for oxygen therapy, inhalation anaesthesia.
Assembly of procedure packs containing non-active medical devices	General non-active, non-implantable medical devices	Non-active devices for anaesthesia, emergency and intensive care
Assembly of procedure packs containing non-active medical devices	General non-active, non-implantable medical devices	Non-active devices for injection, infusion, transfusion and dialysis
Assembly of procedure packs containing non-active medical devices	General non-active, non-implantable medical devices	Non-active orthopaedic and rehabilitation devices
Assembly of procedure packs containing non-active medical devices	General non-active, non-implantable medical devices	Non-active medical devices with measuring function
Assembly of procedure packs containing non-active medical devices	General non-active, non-implantable medical devices	Non-active ophthalmologic devices
Assembly of procedure packs containing non-active medical devices	General non-active, non-implantable medical devices	Non-active instruments
Assembly of procedure packs containing non-active medical devices	General non-active, non-implantable medical devices	Contraceptive medical devices
Assembly of procedure packs containing non-active medical devices	General non-active, non-implantable medical devices	Non-active medical devices for disinfecting, cleaning and rinsing
Assembly of procedure packs containing non-active medical devices	General non-active, non-implantable medical devices	Non-active devices for in vitro fertilisation (IVF) and assisted reproductive technologies (ART)
Assembly of procedure packs containing non-active medical devices	General non-active, non-implantable medical devices	Non-active medical devices for ingestion
Assembly of procedure packs containing non-active medical devices	Non-active implants	Non-active cardiovascular implants
Assembly of procedure packs containing non-active medical devices	Non-active implants	Non-active orthopaedic implants

Assembly of procedure packs containing non-active medical devices	Non-active implants	Non-active functional implants
Assembly of procedure packs containing non-active medical devices	Non-active implants	Non-active soft tissue implants
Assembly of procedure packs containing non-active medical devices	Devices for wound care	Bandages and wound dressings
Assembly of procedure packs containing non-active medical devices	Devices for wound care	Suture material and clamps
Assembly of procedure packs containing non-active medical devices	Devices for wound care	Other medical devices for wound care
Assembly of procedure packs containing non-active medical devices	Non-active dental devices and accessories	Non-active dental devices/equipment and instruments
Assembly of procedure packs containing non-active medical devices	Non-active dental devices and accessories	Dental materials
Assembly of procedure packs containing non-active medical devices	Non-active dental devices and accessories	Dental implants
Assembly of procedure packs containing non-active medical devices	Non-active medical devices other than specified above	n/a
Assembly of procedure packs containing active medical devices (non-implantable)	General active medical devices	Devices for extra-corporal circulation, infusion and haemopheresis
Assembly of procedure packs containing active medical devices (non-implantable)	General active medical devices	Respiratory devices, devices including hyperbaric chambers for oxygen therapy, inhalation anaesthesia
Assembly of procedure packs containing active medical devices (non-implantable)	General active medical devices	Devices for stimulation or inhibition
Assembly of procedure packs containing active medical devices (non-implantable)	General active medical devices	Active surgical devices
Assembly of procedure packs containing active medical devices (non-implantable)	General active medical devices	Active ophthalmologic devices
Assembly of procedure packs containing active medical devices (non-implantable)	General active medical devices	Active dental devices
Assembly of procedure packs containing active medical devices (non-implantable)	General active medical devices	Active devices for disinfection and sterilisation
Assembly of procedure packs containing active medical devices (non-implantable)	General active medical devices	Active rehabilitation devices and active prostheses
Assembly of procedure packs containing active medical devices (non-implantable)	General active medical devices	Active devices for patient positioning and transport

Assembly of procedure packs containing active medical devices (non-implantable)	General active medical devices	Active devices for in vitro fertilisation (IVF) and assisted reproductive technologies (ART)
Assembly of procedure packs containing active medical devices (non-implantable)	General active medical devices	Software
Assembly of procedure packs containing active medical devices (non-implantable)	Devices for imaging	Devices utilising ionising rays
Assembly of procedure packs containing active medical devices (non-implantable)	Devices for imaging	Devices utilising non-ionising rays
Assembly of procedure packs containing active medical devices (non-implantable)	Monitoring devices	Monitoring devices of non-vital physiological parameters
Assembly of procedure packs containing active medical devices (non-implantable)	Monitoring devices	Monitoring devices of vital physiological parameters
Assembly of procedure packs containing active medical devices (non-implantable)	Devices for radiation therapy and thermo therapy	Devices utilising ionizing radiation
Assembly of procedure packs containing active medical devices (non-implantable)	Devices for radiation therapy and thermo therapy	Devices utilising non-ionizing radiation
Assembly of procedure packs containing active medical devices (non-implantable)	Devices for radiation therapy and thermo therapy	Devices for hyperthermia/hypothermia
Assembly of procedure packs containing active medical devices (non-implantable)	Devices for radiation therapy and thermo therapy	Devices for (extracorporeal) shockwave therapy (lithotripsy)
Assembly of procedure packs containing active medical devices (non-implantable)	Active (non-implantable) medical devices other than specified above	n/a
Assembly of procedure packs containing active implantable medical devices	General active implantable medical devices	Active implantable medical devices for stimulation / inhibition
Assembly of procedure packs containing active implantable medical devices	General active implantable medical devices	Active implantable medical devices delivering drugs or other substances
Assembly of procedure packs containing active implantable medical devices	General active implantable medical devices	Active implantable medical devices substituting or replacing organ functions
Assembly of procedure packs containing active implantable medical devices	Implantable medical devices other than specified above	n/a
Assembly of procedure packs containing In vitro diagnostic medical devices (IVD)	Reagents and reagent products, calibrators and control materials for: Clinical chemistry Immunochemistry (immunology) Haematology/haemostasis/immunohaematology Microbiology Infectious immunology	n/a

	Histology/cytology Genetic testing	
Assembly of procedure packs containing In vitro diagnostic medical devices (IVD)	In vitro diagnostic instruments and software	n/a
Assembly of procedure packs containing In vitro diagnostic medical devices (IVD)	IVD medical devices other than specified above	n/a
In vitro diagnostic medical devices (IVD)	Reagents and reagent products, calibrators and control materials for: Clinical chemistry Immunochemistry (immunology) Haematology/haemostasis/immunohaematology Microbiology Infectious immunology Histology/cytology Genetic testing	n/a
Active medical devices (non-implantable)	General active medical devices	Software
